it's fun when two goes into one

18+

As I was looking through your last issue of 18+ I came across this girl Jasmine in a three-way doing two guys. The photos reminded me of this cathouse I went to outside of Vegas last year. I was visiting a couple of old college buddies, Dave and T.J. I had never been to a brothel before, but they had been there a couple times. They were into the brothels because you could pick who you would have sex with and what you could do to them.

And two guys are always a fun deal if you get the right girl. They talked me into going since

then I could watch, but they were going to go anyway.

When we got there, we went into the parlor and moments later a parade of girls walked in and the “madame” announced what we wanted. Several girls left and from the three remaining, the guys selected a tall sandy-haired cutie wearing a black bra and panty set and clear stripper heels. We talked with her for a few minutes and she had a great and fun personality. She seemed up for the escapade and we followed her to a large room with a big bed in the middle and some TV monitors around (I found

already worked out the financial arrangements. She said her name was Krissy and in a cute Southern drawl says she likes college guys. Dave starts it up while T.J. and I sat on a couple weird chairs along the wall and watched as she grabbed his cock as she pulled him over to the bed. He sits on the bed and she pulls out a condom and pulls it over his cock. She pushes him back on the bed and starts to give him a blow job right through the condom.

She's bent over and her nice butt's up in the air bobbing up and down as her mouth goes to work on him. After a few minutes of this, T.J. gets up and grabs his cock out and heads over to her nightstand, grabs a condom and rolls it down his cock. He positions himself behind her and fingers her pussy. Without any hesitation, he jams it into her already wet pussy as she moans. I'm now playing with myself as T.J. pushes it into her. She hardly misses a suck on Dave's cock as T.J. fucks her.

I decide to start stroking my cock to relieve some of the tension. There was a weird reddish glow to the room so it looked like a cheap porn film, but it was kinda exciting. Dave sits up a little as she is still blowing him and he motions me to get a condom and lay on the bed next to him, which I do. Krissy grabs my cock and pumps it as she continues

I had just broken up with my old girlfriend and thought I might get a kick out of it. They dragged me along and initially I did not want to go. They teased me, but promised that it was safe and that I would have a good time, saying that if I didn't want to join in,

out you can have a video made of your stay there).

The room smelled all girly. She told us to go wash and we took turns in the bathroom. Dave came out first, then T.J., and as I came out I saw they had

with Dave, too. T.J.'s behind her pumping away and gives me the thumbs up. Then she turns her attention to me and begins to blow me. I'm up on my elbows so I can watch. It's a really weird feeling to get a hummer through a condom, but she is a pro and I hardly can tell the difference, and when she starts nibbling on my balls, nothing else matters.

Dave is now behind her fucking her standing doggie-style and

T.J. is next to me ready for his bj. He changes condoms and grabs her hand to start giving him a hand job. She's still sucking my cock and playing with my balls with her free hand. Damn, this girl was good. All of a sudden Dave blurts out that he's gonna cum and does so giving her a couple really hard thrusts that she has to stop blowing me and brace herself for his climax.

He finishes cumming and goes over to the chairs to rest pulling his condom off as he sits and takes in the action.

Krissy now stands up and climbs on the bed over me, turns around and squats on my cock reverse cowgirl style. She motions to T.J. to stand up and he positions himself in front of her and puts his cock in front of her face. She reaches out to grab it and pulls it into her mouth and starts sucking him off. I grab her butt and help her with the old in-and-out. I can't see what she is doing to Bob, but from looking at the back of her head and the expression on his face, I

know she is doing it well and he's digging it.

A few more minutes of this and I'm ready to cum. She senses it and gets off just in time to jerk my cock a couple more times and I let loose inside the rubber sheath. That's two down and one to go. She tells me to get off the bed and go watch as she lays back on the

bed and pulls T.J. down on top of her.

She guides his cock into her swollen pussy and lets him fuck her which he does for a few more minutes. Krissy rolls onto her side facing us making some great fuck faces and moans and shrieks for our amusement. Her mouth is wide open going "Oh shit! Oh fuck!" as she raises her top leg

so we can watch him fuck her. She rubs her pussy hard, grabs T.J.'s balls and squeezes hard. He screams and bucks his hips with his big finale as she does the same. They cum together and lay spent and exhausted on the bed. Dave and I break out into a round of woof-woofs and applause and they laugh.

After a short break, she taps on the bed and tells us she's ready to do us all at one time. I've never done it like this, but I'm all for it. So she gets in the middle of us and like a conductor, positions each of us where she wants us. She puts T.J. on his back, rolls a new condom on his hard-again cock and sits on it.

She tells Dave and me to stand in front of her and she starts blowing each of us. Then we switch positions when she says to so none of us will feel short-changed. We're there for a couple hours doing more stuff with her and she gets us off and herself, too. (I think she came at least four or five times.)

We get dressed, and thank her at the door as we exit into the night. We stumble to the car in the lot and we find a little bar and grab some beers as the guys ask me how it was. I said it was way too cool and she rocked. We spent a few more hours and many more beers as the night turned into day. Other than this letter and my two buds, I haven't said anything to anyone else and it felt really good to relive the experience as I wrote this.

Thanks dudes.

salon sexualis

My name is Carla and I run a beauty salon in Philly. Sammie is my office assistant. We'd been carrying on an affair at the office because this was the only place we could meet without

our husbands finding out. Fortunately, the fact that we would often stay past business hours when things got hectic made us appear dedicated.

I couldn't help but be attracted to her long blonde hair and hauntingly beautiful blue eyes. I was smitten the moment I saw her. I was also pleasantly surprised when she started flirting with me. After hours, after I closed down the salon, we would head to my office. The two of us had been utilizing it for our late night trysts. I arrived first and Sammie followed a minute later. I instructed her to come in and

close the door. It had been a long day and I know we were both looking forward to this. Sammie enjoyed playing doctor, but I loved pretending to be her patient even more. I could see what looked to be scarves hanging out the top of the white lab coat's deep pockets. I can't wait to see what she does with those. Sammie pulled the scarves from her pockets as she walked over to me. She bound my wrists together with the first scarf above my head before pushing my knees up and opening my legs to the edge of my desk. She then secured my feet to it with the other two scarves. She saw I was already wet with anticipation.

Sammie then traced my opening with her hand before putting her glistening finger to her mouth. Her hands ran the length my thighs as she lowered her head to my pussy. She moved her mouth over my clit, gently biting and sucking it. She licked my juices from her lips as she stood up. I watched her remove her clothes, leaving them in a heap on the cold tile floor. She crawled on top of me and began to play with my breasts. Her hands squeezed and tugged at them roughly before her mouth enveloped my nipple while she continued to knead my other breast.

She closed in began to move her hips between my legs, grinding her clit into mine. I felt my body begin to shudder from the beginnings of a climax, but she pulled away from me. Bending over, she reached for something on the floor beside the desk. When I saw what she had, excitement swelled up deeper inside me. She had fastened a dildo in a harness onto herself and I couldn't wait for her to unleash it on me. I felt her finger slide inside of me to collect some of my juices before rubbing the glistening liquid on the shaft of the dildo. My mouth and pussy watered with anticipation. Sammie stuck the tip just inside of my hot pussy before pulling

back out. Then she pushed it inside me, slightly further than before, only to pull it out and do it again and again. We had never used a toy such as this before and it was driving me wild.

As I was drifting away, she suddenly got up on the desk and straddled my hips before waving the strap on in front of my face. My lips parted and I took the length of the shaft into my mouth. She shoved it in and out of my mouth while the other end pressed into her clit. I grabbed the dildo and pushed it up so I could get at her sweet pussy right in front of me. I worked closer to it and found her pussy lips with the tip of my tongue and slowly parted them. It seemed as if she was freshly shaven in anticipation of this evening and that made me hotter. When my tongue reached her clit she backed off me and said 'Not now.'

She slid off of me and stood on the floor with her hips level to mine. She began to tease my pussy again with the head of the dildo. I needed her to fuck me, hard and fast, the way I liked it. When I thought I could stand it no longer, she slowly moved into me. The dildo glided in and out of me, going deeper and deeper into my pussy. She stuck her middle finger into my sex and lubricated it. With her other hand, she lifted my hips and found my butt hole with her wet finger and slowly pushed it in, pushing me closer and closer to climax. I pulled her face down to me and whispered to her to stick her tongue into my mouth. She obliged and forced it into me deep into the back of my mouth.

Just then the door opened and the cleaning lady walks in to see me spread-eagled on the desk and Sammie wiping off the dildo. She looks over to the lady and tells her firmly to put her stuff down and come over here. She does so and Sammie tells her to get on her knees at the foot of the table. She pushes her head into my pussy and I feel a soft tongue licking me again. I close my eyes. ●

I'm an English major, so here goes,... 'sex is a dish best served warm and wet and swallowed whole.'

In college, English was my favorite subject and my major. But honestly, I haven't been able to do much with the degree, but when I quote Shakespeare to the guys I'm fucking I can tell they're pretty impressed. My favorite is to get on my knees after the guy has cum and take his limp dick in my hand, look right at it and say "Alas, poor Yorick, I knew him well"

what a way to celebrate! happy birthday to me

It was late afternoon, Saturday, as Mason pulled into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Stella was sitting in the living room with the next door neighbor doing that girly gossip thing. She barely looked up at him but did acknowledge his basketball with a small sneer. Turning back to the neighbor, Mason just heard white noise coming out of their mouths. He decided he needed a drink and went to pour himself a cold beer.

He poked his head back to the living room and told the ladies he was going to go shower after the ball game. Going up the stairs, Mason decided to treat himself to a long, hot shower. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a shower. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there

Birthdays are special times and this one was especially special

is Stella with a towel wrapped around herself. She asks him if he is looking for this, and takes it off and hands it to him.

Naked underneath, he sees the hot beautiful woman he's been dating for almost a year. "Happy Birthday, baby," she croons as she walks over to him and begins to dry him off. She has that tight body he used to ravish every day a few months ago. Now, he sees it sheathed in a combination of

sweats or pant suits. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes by his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around," she says, and Mason obliges putting his hands on the wall like a cop was about to frisk him. Starting at the top, she dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Mason is enjoying every minute of this, being relaxed from the shower and now a vertical towel massage.

Throwing the towel on the floor, Stella pulls Mason towards the bed. Now he takes over, laying Stella on it and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes lower and lower on her.

He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing became quick and sharp.

Mason reaches between Stella's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta, begins to slurp up the juices that began to flow. Mason places his fingers on her pussy to gently spreads her pussy lips apart. He then gently presses his fingers into her mound and just as he's about to insert one, she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the night stand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms and legs are spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday," again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of his cock, licking the entire length of his shaft and

then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at its head causing him pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet." she whispers and he feels her get off him and off the bed. Moments later he hears her return climbing on top of him and guiding his rock hard cock into her pussy. She pumps up and down using her knees and thighs in a steady pace for a few minutes. She then bends down on top of him and he hears a whisper in his ear, "Happy Birthday, Mason," but the voice was not Stella's. Before he realizes what was happening, a moist fleshy body landed on his face and pushes onto his mouth. It couldn't be Stella, he thought, she's riding on my face. The taste of pussy fills him, but it was a new one. One he did not

recognize, but at a time like this it did not seem to matter. It tasted so good that he begins to lick it with gusto. As he was doing this, the pussy got wetter and wetter and he had to taste more so he forces his tongue inside.

Down below, Stella had quickened her pace and was moaning loudly. The girl sitting on his face begins to moan softly and her juices begin to ooze out from between her legs covering his face in a warm sticky substance. She rocks backwards and forwards forcing his tongue further inside her and Mason could hear both girls moaning loudly.

Mason felt himself building up to orgasm and within a few minutes he exploded just as Stella got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Stella gave a couple little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him with one of her own, flowing her cum-juice all over his lips and chin.

Mason could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Stella moved to the top and careful placed one of her nipples into Mason's mouth and he began sucking like he wanted to get out every last drop of nipple juice.

He felt his cock penetrate new territory. Much firmer than Stella's. He could hear the girl gasp as his cock was slowly swallowed up. Mason began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

All of a sudden everything came to a stop as Stella removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two faces kissing in the half light. The kisses stopped and they both looked down at him. It was Gabbie naked and bouncing up and down on his cock. She was the neighbor Stella was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Stella's bouncing as she moved up and down.

Looking further down her body, he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs. Stella and Gabbie looked at each other and began to passionately kiss again. Then the two untie Mason from the bed and as he stands up to stretch, Gabbie falls on top of

gasms first and Stella is not far behind.

The girls switch positions and Stella begins to suck Gabbie's pussy of all the cum that she produced from the orgasm she just had. Mason now sees that Stella has her ass in the air and slams his cock into her. Stella gasps as Mason leans forward and inserts the length of his cock into her.

All three of them are now moaning and just as Mason's about to cum he pulls out of Stella and shoves his cock in Gabbie's mouth. She took all

Stella and she begins to move slowly down her body until she reached her pussy. She sticks out her tongue and begins to lick Stella's crotch.

Seeing Gabbie bent over with her butt in the air, Mason could see her soaked pussy clearly. He places his fingers deep inside her and proceeds to finger fuck her as fast as he can. Gabbie's breathing quickens and her body begins to squirm. He pulls his fingers out just as her cum squirts out of her pussy. He then rams his cock into her and begins to thrust. He licks his fingers clean of Gabbie's pussy juice and fucks her as hard and as fast as he can. Gabbie begins to scream loudly and has a powerful orgasm. Her body shakes and she slams her body against Mason's as hard as she can so that he is very deep inside her. Mason fills her tight pussy with his cum until it begins to pour out of her. Both ladies start to moan as Gabbie or-

of his cum and swallows. Mason and Gabbie began to kiss and Mason could taste a mixture of his, Stella's and Gabbie's cum.

Mason felt his cock stiffen and rolls onto his back. Both ladies begin to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both look at each other and begin to lick the cum from each other. Once they were both clean, all three lay on the bed next to each other on the bed. After a few minutes, Stella got up and left the bedroom only to return a few minutes later with a small cake with three candles on it. She gives one to Mason and one to Gabbie, keeping the third for herself. On three, they each blow theirs out and, as if on cue, the two ladies smash the cake into Mason's face with sing-song voices saying – "Happy Birthday!"

HOT GIRL-ON-GIRL ACTION

A blonde woman with long, wavy hair is posing for a photograph. She is topless, with her hands resting on her breasts and hips. She is wearing light pink, low-rise underwear that features a small, red devil-like character logo on the right side. She has a ring on her left ring finger and pink nail polish. The background is a simple indoor setting with a dark, textured wall and a window with blinds.
